对话 / Dialogue

A Dad, I'd like to borrow some money.
爸，我想借点钱。

B Sure, Johnny, how much do you need? five bucks?
行啊，约翰尼，你要多少？五块钱？

A Come on, Dad, I need thirty thousand. I wanna get into the market. You know, I'm tired of hearing all this news about the economic downturn, the inevitable recession, people stuffing their money in their mattresses. I look at this as an opportunity. This is a chance for me to get a jump start on building my nest egg.
别逗了，爸，我需要三万块。我想进场投资。你知道，我实在听腻了那些关于经济下行、不可避免的衰退、人们把钱塞进床垫里的新闻。我把这看作一个机会。这是我抢占先机、积攒财富的好时机。

B I don't know about that; with all the uncertainty in the markets right now, it would be a very unwise decision to invest. I don't know if you're aware son, but there has been a lot of turmoil in the markets recently. There have already been half a million layoffs in the last few months, and we have no idea how the proposed stimulus package will impact the economy. There's just too much instability. I wouldn't feel comfortable investing in this climate.
这我可说不好；现在市场充满了不确定性，此时投资会是非常不明智的决定。儿子，我不知道你注意到没有，但最近市场动荡得很。过去几个月里已经有五十万人被裁员，而我们也不知道拟议中的经济刺激方案会对经济产生什么影响。太不稳定了。在这样的环境下投资，我可不放心。

A But look at it this way, every challenge is an opportunity. And anyway, I'm not talking about investing in the domestic market. There are emerging markets that promise great returns. Look at China, for example; they have 1.4 billion people, half a billion of whom have recently entered the middle class. Here alone, the aggregate demand for consumer goods represents an amazing wealth generating opportunity.
但换个角度看，每一个挑战都是一个机会。而且，我说的又不是投资国内市场。有些新兴市场承诺会带来丰厚的回报。就拿中国来说吧；他们有十四亿人口，其中有五亿人最近才进入中产阶级。单是这里，消费品的总需求就代表着一个惊人的财富创造机会。

- B Come on, son, you're looking at this too naively, the Chinese market has exhibited a great deal of instability, and their currency has been devalued by almost a whole percentage point.
得了吧，儿子，你把这事看得太天真了，中国市场表现出了极大的不稳定性，他们的货币也已经贬值了将近整整一个百分点。
- A Fine, then! If that's the way you feel, so be it. But you're losing out on a great opportunity here. I'm going to go hit up Mum for the cash.
那好吧！既然你是这么想的，那就随它去吧。但你错过了一个大好机会。我这就去找妈要钱。
