

Global View - 赌博 (C0136)

Global View - Gambling (C0136)

对话 / Dialogue

- A Did you hear? The state is thinking of legalizing gambling in our city! Soon we are gonna have amazing hotels and casinos here which will be good for our business!
你听说了吗？州政府正在考虑在我们市里让赌博合法化！很快我们这儿就会有超棒的酒店和赌场，这对我们的生意有好处！
-
- B Are you serious? Gambling is a vice industry built on deception and fed by the intentional exploitation of human weakness for the sole purpose of monetary gain! It disgusts me.
你是认真的吗？赌博是一个建立在欺骗之上的罪恶产业，靠着蓄意利用人性弱点来牟利，唯一的目的就是敛财！它让我恶心。
-
- A What are you talking about? How does it exploit people?
你在说什么啊？它怎么就利用人了？
-
- B Well, to begin with, Gambling is addictive, ruins marriages, destroys families and bankrupts communities. Once you are addicted it is very difficult to stop. People have lost their houses, cars and been left out on the street after becoming addicted. Secondly, it exploits because men become addicted to gambling most often because of the action and risk. Women gamble to escape, and senior citizens will start gambling for the social interaction. Underage gamblers often start gambling on sports with friends and then illegal bookies.
首先，赌博会让人上瘾、毁掉婚姻、破坏家庭、使社区破产。一旦上瘾就很难戒掉。有人上瘾后失去了房子、车子，最后流落街头。其次，它之所以是利用，是因为男人往往是因为那种刺激和风险而对赌博上瘾。女人赌博是为了逃避现实，而老年人开始赌博是为了社交往来。未成年赌徒往往先是跟朋友赌体育比赛，然后就找上了非法的庄家。
-
- A Geez! Now that I think about it, maybe legalizing gambling isn't such a good idea! Although, I have been to Las Vegas, and I didn't become addicted or anything like that.
天哪！现在我想想，让赌博合法化也许不是个好主意！不过，我去过拉斯维加斯，我可没上瘾之类的。
-
- B You cannot predict who will become addicted to gambling. Now excuse me, I have a protest rally to organize!
你没法预测谁会对赌博上瘾。现在失陪了，我还有个抗议集会要组织呢！
