

The Weekend - 问路 (C0202)

The Weekend - Asking For Directions (C0202)

对话 / Dialogue

- A We have been going around in circles for the past hour! Will you just please stop and ask for directions?
我们已经在原地打转一个小时了！ 你就不能停下来问问路吗？
-
- B We are not lost! I'm just taking the scenic route.
我们没迷路！ 我只是在走风景路线。
-
- A Yeah, whatever. I told you we should buy that GPS that was on sale, but would you listen to me? No! This is so typical.
是啊，随便你怎么说。我早跟你说过应该买那台打折的GPS，可你听我的吗？没有！ 你就是这个样子。
-
- B Fine! I'll ask this guy for directions if it will shut your trap! Excuse me, sir. Can you tell me how to get to Saint Mary's Church?
行了行了！ 要是能让你闭嘴，我这就去问那个人怎么走！ 打扰一下，先生。请问去圣玛丽教堂怎么走？
-
- C Sure! Go down Park Road. turn left, go up as far as the set of traffic lights and turn left. The place you are looking for is the second building on the right.
当然！ 沿着帕克路走，左转，一直走到那组红绿灯再左转。你要找的地方就是右边第二栋楼。
-
- A Thanks!
谢谢！
-
- B See? Was that hard? If you would only listen to me more often, you would be better off.
看到没？ 很难吗？ 你要是能多听我几句，就会好过很多。
