

Daily Life - 去看医生 (C0234)

Daily Life - Going to the Doctor (C0234)

对话 / Dialogue

Doctor Evans Good afternoon Chloe, I' m Doctor Evans. What seems to be the problem?

下午好，克洛伊，我是埃文斯医生。你哪里不舒服？

Chloe Hi, Dr Evans. Thanks for seeing me on such short notice. When I woke up this morning I had a really sore throat and a really bad cough. I think I am coming down with the flu.
你好，埃文斯医生。谢谢你这么临时还愿意见我。我今早醒来时嗓子特别痛，还咳得很厉害。我觉得我快得流感了。

Doctor Evans Ah I see, yes you do sound rather croaky. Well let' s have a look, shall we? Could you please open your mouth and say ” ah” .
啊，我明白了，是的，你听起来确实挺沙哑的。那我们来看看，好吗？请张开嘴说“啊”。

Chloe ” Ahhhhhhhh”
“啊—————”

Doctor Evans Good, yes, your tonsils are a little swollen and red. How are your ears, blocked at all?
很好，是的，你的扁桃体有点肿，还发红。你的耳朵怎么样，有没有堵塞感？

Chloe A little actually. My sinuses are a little blocked up as well – I really feel terrible.
其实有一点。我的鼻窦也有点堵——我真的感觉很难受。

Doctor Evans Ok Chloe, can you please breathe in and out slowly for me while I listen to your chest?
You really are all bunged up, you don' t sound too good at all. Ok I' m going to set you up with a bunch of antibiotics. You will need to take these orange pills twice a day and these blue pills every evening. You will also have to take this cough medicine three times a day after meals. Finally, I am giving you an inhaler to use every time you feel breathless. . . just to clear up your lungs!
好的，克洛伊，我听你胸腔的时候，你能慢慢地吸气、呼气吗？你真的整个都堵住了，听起来一点都不好。好，我给你开一些抗生素。你需要每天吃两次这种橙色的药片，每天晚上吃这种蓝色的药片。你还得每天饭后吃三次这种止咳药。最后，我给你一个吸入器，每次觉得喘不过气就用……好清一清你的肺！

Chloe	Whoa! So many drugs. . . I hate swallowing pills. Am I able to go to work? 哇！这么多药……我最讨厌吞药片了。我能去上班吗？
Doctor Evans	Absolutely not! You are highly contagious! You don't want to infect the rest of your co-workers do you? I recommend staying in bed for at least three days and drinking plenty of fluids so you don't get weak and dehydrated. You can catch up on all the latest tv shows and movies! 绝对不行！你的传染性很强！你不想传染给其他同事吧？我建议你至少卧床休息三天，多喝水，免得身体虚弱、脱水。你可以趁机把最新的电视剧和电影都补一补！
Chloe	Ok! Would you mind writing me a doctor's note for work, otherwise they may think I am faking it! 好的！你能帮我写张病假条给公司吗，不然他们可能会以为我装病！
Doctor Evans	Ha-ha, sure not a problem! Here you are. Now off you go and away to bed. If you have any questions just give me a call! Feel better soon and take care. 哈哈，当然，没问题！给你。现在你就回去睡觉吧。有什么问题就给我打电话！早日康复，保重。
Chloe	Thanks doc, bye! 谢谢你，医生，再见！

重点词汇 / Key Vocabulary
