

Daily Life - 杂修工 (C0285)

Daily Life - Handyman (C0285)

对话 / Dialogue

- A The air conditioning is not working! We need to call a handyman before we start to fry in here!
空调坏了！我们得在被热熟之前赶紧叫个杂修工来！
-
- B Dan is on top of that. I think they are also getting the handyman to fix the bathroom toilet that keeps clogging up.
丹正在处理这事。我想他们还会让杂修工来修一下老是堵塞的卫生间马桶。
-
- A That would be convenient. They might as well ask him to fix the electrical wiring. The circuit breakers keep going out all the time. It's really annoying!
那就方便了。他们不妨也叫他修一下电线。断路器老是跳闸，真是烦人！
-
- B Yeah you are right. This office is falling apart! Frank told me the other day that the gutters outside were clogged and that's why the parking lot was flooded.
是啊你说得对。这办公室都快散架了！弗兰克前几天跟我说外面的排水沟堵了，所以停车场才被淹了。
-
- A I know! I was in ankle deep water trying to get to my car that day! The handyman definitely has his work cut out for him.
我知道！那天我踩着齐脚踝深的水去够我的车！杂修工这下可有得忙了。
