

The Office - 第一份工资单 (C0317)

The Office - First Paycheck (C0317)

对话 / Dialogue

Emily Hey, Susan. Have you got a sec? I have some questions about my paycheck.
嘿，苏珊。你有空吗？我有几个关于工资单的问题。

Susan You bet, Emily. Pull up a chair.
当然有，艾米丽。拉把椅子过来坐吧。

Emily Well, this is my first paycheck here in the States and there are a few things I don't understand. First off, what is this FICA, and SUI Y tax, and why are there deductions both for Medicare and for my health insurance plan?
是这样，这是我在美国拿到的第一份工资单，有几处我不太明白。首先，这个FICA和SUI税是什么，为什么医疗保险和我的健康保险计划都要扣款？

Susan OK, let's start from the top of your pay stub. This number here represents your gross pay.
好，我们从你工资条的最上面开始看。这里这个数字代表你的税前工资。

Emily Yes, that's easy enough to understand.
嗯，这个倒是很好理解。

Susan Then here we have a series of deductions. First off are the federal ones. FICA stands for Federal Insurance Contribution Act, or something like that. It's your federal income tax. And then there's Social Security and Medicare, which are both federal programs to help you out after you retire or if you were unable to work.
接下来这里是一系列扣款。首先是联邦的部分。FICA是《联邦保险捐助法》之类的缩写。这是你的联邦所得税。然后是社会保障和医疗保险，这两项都是联邦项目，帮助你在退休后或无法工作时维持生活。

Emily All right, I see. So the Medicare isn't actually a health insurance I can use now.
好的，我明白了。所以这个医疗保险其实不是我现在能用的健康保险。

- Susan That's right. Below the federal deductions are the state deductions. There's the state income tax, and then this SUI SDI tax you were asking about is paying into an unemployment and disability fund that our state has set up, but you can see it's a pretty small quantity that they take.
没错。联邦扣款下面是州扣款。有州所得税，然后你刚才问的这个SUI SDI税，是缴纳到我们州设立的失业和伤残基金里，不过你可以看到他们扣的数额相当小。
- Emily Yeah, I don't mind giving them a dollar fifty for that. So there are two separate income taxes – one at a state level and one at a federal level?
是啊，为这个给他们一块五我倒不介意。所以有两种不同的所得税——一种在州一级，一种在联邦一级？
- Susan That's right. Not all states have an income tax. Some use higher property taxes or sales taxes instead.
没错。并不是所有州都有所得税。有些州改用更高的房产税或销售税。
- Emily I see. All right, well I think everything else I can figure out on my own. The deductions for health insurance and my 401(K) are pretty self-explanatory. Thanks for your help, Susan.
原来如此。好，我想其他的我自己能弄明白。健康和我的401(K)退休金的扣款都很好理解。谢谢你的帮助，苏珊。
- Susan No problem! All those deductions do add up, and nobody's net pay is as high as they'd like. I can understand why you'd want some explanation.
不客气！所有这些扣款加起来确实不少，谁的实发工资都没有自己想要的那么高。我能理解你为什么想要一些解释。
- Emily Yeah, I guess it's the same in the UK, I just never paid much attention. See you later!
是啊，我猜在英国也一样，我只是从来没太留意。回头见！

重点词汇 / Key Vocabulary

stub	名词	存根，撕下部分后用于留存已填写内容记录的部分
