对话 / Dialogue

Jim Argh...I feel terrible, I keep sneezing and my eyes are all watery, what's wrong with me?
啊……我难受死了，我一直打喷嚏，眼睛还直流泪，我这是怎么了？

Tom Wow, you're not dying are you, it looks like you have a cold, you should take some medicine.
哇，你不会是要死了吧？看起来你像是感冒了，你该吃点药。

Jim I don't think it's a cold, I feel fine if I move a few feet away from my desk.
我觉得不是感冒，我只要离我的办公桌几英尺远就没事了。

Tom Maybe we should put you into quarantine ha ha, jokes aside, I think you might have an allergy.
也许我们把你隔离起来，哈哈，玩笑归玩笑，我觉得你可能是过敏了。

Jim An allergy? I never thought about that, I don't think I'm allergic to pollen though and I'm desensitized to bee stings after being stung so many times, Hmm...
过敏？我从没想过这个，不过我应该不对花粉过敏，而且被蜜蜂蜇过那么多次之后我对蜂蜇已经脱敏了，嗯……

Jim Ow! Why did you chuck that peanut at me?
哎哟！你干嘛朝我扔花生？

Tom Just checking if you're allergic to peanuts, I guess not.
就是想看看你对花生过不过敏，看来不过敏。

Jim Not funny! I could have gone into Anaphylactic Shock.
一点都不好玩！我可能会引发过敏性休克的。

Tom Okay my bad, how about dust? This office is full of it.
好吧是我不对，那灰尘呢？这办公室里到处都是灰。

Jim Yes the whole office is dusty yet I only feel affected near our desks!
是啊，整个办公室都是灰，可我只在我们办公桌附近才觉得不舒服！

Cat Meow meow meow
喵喵喵

Jim You brought your cat into the office?!
你把你的猫带到办公室来了？！

Tom Yes, it's Mr Snuffle's birthday today, I didn't want him to be alone on his special day!
是啊，今天是斯纳夫先生的生日，我不想让它在特别的日子孤零零的！

Jim ACHOO! Argh put it away ACHOO!
阿嚏！啊，把它弄走，阿嚏！

Tom I guess we found the problem, your allergic to cats!
看来我们找到问题所在了，你对猫过敏！
